Business Office: 221 Adley Way, Greenville, SC 29607

DIRECTIONS TO OUR BUSINESS OFFICE

Our Business Office is located on Woodruff Road, directly across from the Wal-Mart Super Center, McAlister's Deli, and Staples. The access road to our corporate office park is across the road from the Wal-Mart Super Center and in-between the Discount Tire store and Rite Aid. Turn into our corporate office park on Lovett Drive. Drive down Lovett Drive until it dead-ends in front of a red brick, free-standing office building. Turn right and then make an immediate left. You will now be on Adley Way. You should be able to see another red brick, free-standing office building called Foundation Technologies, Inc. (FTI) There are two front doors, both of which belong to FTI, 221 and 223. Use the 221 door. Once inside, my office is the first office on the left.
